ABOUT US

V2 Technical LLC was established by a team of highly experienced professionals with over 20 years of expertise in the Marine & Offshore Industry.

Having worked closely with the ship owners, operators, and offshore Companies across the Middle East, We identified a critical gap in the market - the absence of a reliable one-point solution provider capable of delivering both products and services efficiently under one roof.

Our mission is to provide efficient, cost-effective, and dependable marine supply solutions, ensuring smooth and uninterrupted vessel operations.

Today, we have expanded our reach beyond regional boundaries, delivering our products and services across the Middle East, West Africa, and Mexico, supporting vessels and offshore operations with timely and reliable supply solutions wherever they operate.

OUR MISSION

To deliver premium quality equipment and reliable service that create value for our customers.

OUR VISION

To be a globally recognized marine supply company, known for quality, reliability and integrity.
